Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 24 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Clear or sunny spells inland, northern and western coasts cloudier.

Today:
Low cloud, mist and fog are likely to continue to persist around northern and western coasts but brighter with sunny spells and warmth for most inland areas and Inverness. Maximum temperature 23 deg C (73 deg F).

Tonight:
Some evening sunshine but low cloud thickening and fog forming around the coasts and spreading inland overnight, clearer spells inland. Minimum temperature 11 deg C (52 deg F).

Wednesday:
Low cloud and mist will begin to burn back towards the coasts during the morning but will be persistent around the north coast. Warm sunshine during the afternoon inland. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Another cloudy start on Thursday but fresher, brighter conditions will spread west with plenty of sunshine later and on Friday. Low cloud tends to return in the west on Saturday.
